

## **2007 UTHSCSA CoE Recruitment Events**

**Intern Welcome Dinner-** In July, all new interns and their families are invited to an informal dinner where they meet and mingle with all geriatric faculty.

**A family dinner at a venue that offers interactional games-** this event involves both medicine and family medicine faculty, residents and geriatric fellows. It is usually held in February.

**Lunch and Learn-** Residents are invited to have lunch and hear a short presentation or play Geriatric Jeopardy. These events are held monthly.

**Individual lunches with a geriatrician or a geriatric fellow-** Potential fellows are invited to spend time discussing the specifics of a geriatrics fellowship. These events focus on getting to know the resident and answer individual questions.

**Special residency education sessions on topics such as elder law, interventional radiology, and geri psychology-** These afternoon long events are held twice a year.
