Legend: Topics (first column on left): yellow highlighted topics = guest lecturer; topics with no highlight = attending-led lecture

All attending notes and evaluation forms are available on mednet email->public folders -> departments -> medicine ->geriatrics

Boxes (all other columns): Blue boxes = University holidays. Guests are invited to speak on an alternative day (in parentheses)

Boxes with yellow highlights = new guest lecture date due to holiday or other schedule conflict (e.g., the Nov 23rd Thanksgiving speaker is invited to come on the 26th)
